The Quality Standard Award *Plus*

John Vance, Peter Molloy and Brian Doig attended a reception at SLC Headquarters in Almada Street on Monday 30th March 2009, to accept the above award on behalf of the Group.

Eight voluntary organisations received the Quality Standard Award, and two (ourselves and the WRVS Hairmyres Hospital Shop) both received the Quality Standard **Plus** award. The award was made following a very thorough audit of our systems and procedures, and an interview with our manager and a volunteer.

As well as being excellent publicity for the Group, it is evidence of the high standards of policies and procedures within the Group, as well as the way in which we implement them.

Our thanks to all at SoLVE for the nomination and award.
